Subject: SUNLUST PICTURES, LLC *Plaintiff* V. JOHN DOE *Defendant*. Civil Action No. 1:12-CV-00656-CMA-KMT. If the action is pending in another district, state where: District of Colorado.

Dear Sir or Madam,

I object to the release of this information and I deny doing any wrongdoing whatsoever. In reference to civil action No. 1:12-CV-00656-CMA-KMT.

I was very much shocked and disturbed when I received the copy of civil action through Charter Communications. This has caused me distress as I have not done such conduct. In fact I have never heard of Sunlust Pictures LLC, therefore I am not familiar with what the company does. In this case anyone who wants to check my premises I have no problem with that.

I strongly object visiting Sunlust Pictures LLC. I have doubt either that the security of our system has been stolen or there has been a complication of a virus (this is something I discussed with the computer specialist). With that said I again would like to draw your kind attention that I am totally ignorant of Sunlust Pictures. I plea I am not guilty.

If I need to do anything further, please let me know.

Sincerely,

Surender Chugh (Sam)
